

CELEBRATE PRESERVING HISTORIC OAK GLEN!

David Freeman, Interim General Manager of the Los Angeles Department of Water and Power (LADWP), will make an important announcement on the status of LADWP's proposed energy transmission corridor through Oak Glen on Wednesday, March 10, at 10 a.m. at Los Rios Rancho in Oak Glen.

We believe there will be reason to celebrate after the announcement, so The Wildlands Conservancy and the Oak Glen Apple Growers' Association are offering free apple pies and crisps to the first 200 people who RSVP by 5 p.m. March 8 and attend this event.

The Wildlands Conservancy and the Oak Glen Apple Growers' Association want to thank our visitors for the 50,000 postcards, letters, and phone calls to Mayor Villaraigosa to help protect historic Oak Glen.
